Cancelled today were 6153/6154 GVA 425/426 EDI 6223/6224 CDG 570/569 NCL, effectively OE-LKQ's whole day
 easyJet's explanation on their website was as follows, for all the flights....

"We're very sorry to inform you that your flight is cancelled. This is because of a late delivery of new aircraft into our fleet."

Economical with the truth there maybe?
